

Issue 4

September 3, 2009

Closed Mondays & Tuesdays

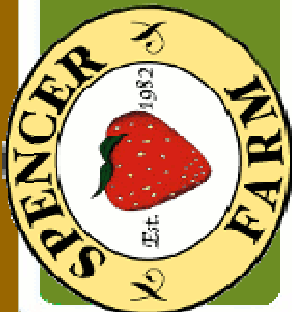

Hours:

Wednesday—Saturday
10:00 am—6:00 pm

Sundays
Noon—5:00 pm

Spencer Farm

more than just berries...

“You Dig” Field Grown MUMS

At Spencer Farm you can make an experience out of just about anything. Right now you can pick Red Raspberries, stock up on home-grown produce including our ‘super sweet’ sweet corn and take a short walk to our MUM patch. We pride ourselves on growing big and colorful mums that you can dig yourself or purchase already potted.

If you choose to dig, we make it really easy for you. There is no need to bring a shovel or container, both are

provided. You can dig our big and beautiful (most are measuring 24” wide) mums for \$3.99 each or our already potted mums are \$4.99 each. You will

have several colors to choose from: red, gold, white, orange, yellow and purple. Peruse our market with unique gourds, Indian corn and other fall decorations.

Come experience our vibrant colors of fall!

Pumpkin Patch, Hayrides & Apples

October 1, 2009 marks the beginning of the great pumpkin month. We have homegrown carving pumpkins and pie pumpkins. Take a free hayride (on the weekends only) out to the pumpkin patch, Sip on some apple cider or bite

into our homemade caramel apples for a special fall treat! Enjoy our homemade fudge, an ice cream cone or slice of pie.

From Tuttle Orchard we have an assortment of locally grown apples. Come taste our samples of these delicious apples. Bet you can’t leave without some! Stock up for making apple sauce and/or pies. Thanksgiving is just around the corner.

Fall Schedule

Red Raspberries	Now -Frost
Chrysanthe-MUMs	Sept & Oct
Pumpkins	October
Christmas Trees & Wreaths	Nov 27- Dec 20

The Christmas Corner

Once again Spencer Farm teams up with Mannix Farms for the Christmas season. Come out to the farm and experience this new tradition. We will have beautiful Pre-Cut trees, handmade Wreaths, Garland and a Christmas gift shop. Opening Day: Nov 27, 2009 (Day after Thanksgiving)
